consignor procedure

tips for success

Consign only your items that show no wear, are not washed out from laundering, have no stains or rips and are in season and in style. Donate the rest!

When consigning shoes, be sure to clean and polish as necessary. We can't sell shoes that have worn soles, soiled insoles or nicked heels!

Check for and replace/repair missing or loose buttons, zippers, dropped hems, tears at seams or unattached lining in trousers.

Clean jewelry and repair loose stones or beads and make sure clasps are in working order.

Remember that these items are used and will only sell for about 1/3 of retail.

OnYou Fashion Consignments is an apparel and accessories shop where women can discover their personal style and expand their wardrobe at a fraction of full retail.

But racks of clothing stuffed in a non-descript space we're not. At OnYou, our customers enjoy a comfortable shopping experience with top-notch customer care. And our consignors benefit from a professional partnership with businesswomen committed to making the experience as convenient and profitable as possible.

our promise

Operate professionally. Three business days after a merchandise drop, consignors can pick up or have e-mailed a detailed receipt of the items we've accepted for sale.

Create profitable partnerships. OnYou will diligently market and merchandise your items for the best price possible for 90 days. OnYou splits the actual sale price 50-50 with consignors.

Make it easy for consignors to do business. After an initial "meet and greet" appointment, you can drop merchandise any time during business hours Tuesday - Friday. OnYou will also mail your check over \$10 the last day of every month at your request.

Maintain an inviting retail environment. We will carefully and diligently choose and market the highest quality, most stylish items that best meet the needs of our customers.

your promise

Provide marketable merchandise. We can only accept your highest quality, gently worn and most desirable pieces cleaned, pressed and on hangers. Because we're focused on properly merchandising and selling your items for the highest price possible, we can't iron, mend or clean your items to make them presentable for sale.

Watch the calendar. Generally, OnYou will start accepting spring/summer merchandise in February and fall/winter merchandise in July. Upon receipt, you will have three days to pick up items we do not choose to sell or the merchandise will be donated to Hubbard House. Similarly, all unsold items not picked up after 90 days become property of OnYou Fashion Consignments. It is important to mark your calendar if you would like to pick up your unsold merchandise!

And that's all! But most importantly, we want you to feel comfortable here. Bring the kids. Join us for periodic make-up parties, wine tasting events and fashion shows. Grab a cup of coffee. Sit a spell and enjoy the company of other women.
